

TURF DYE

TURF MARKER BLUE SC SELECT™

SUPER-CONCENTRATE SPRAY INDICATOR DYE.

Turf Marker Blue SC Select™ is a versatile, easy-to-use, non-toxic colorant for turf and ornamental, aquatic, industrial, municipal, utility, and rights-of-way applications of liquid pesticides and fertilizers. Shows applicators where they have sprayed and will help avoid costly oversprays and skips. Dissipates quickly in wet and dry weather and mixes completely with water soluble pesticides and fertilizers without affecting chemical efficacy..

DIRECTIONS FOR USE

Turf Marker Blue SC Select application rates will vary depending on turf color, turf height, and spray application rates. For optimal rate application, experiment with the volume of spray solution and rate of **Turf Marker Blue SC Select** to find a rate that is functional and economical.

SUGGESTED APPLICATION RATES

2 - 4 ounces per 40 gallons of spray solution treated (5 - 10 oz. per 100 gallons).

For use with tank mixes including, but not limited to:

- Herbicides
- Fungicides
- Insecticides
- Fertilizers

See label for complete application guidelines and restrictions.
